

General Manager Concrete Construction – North Bay

Battano Construction Limited are seeking an experienced foreman. If you have experience in concrete curb & gutter and sidewalk construction we would like to talk to you about this exciting opportunity.

What's in it for you:

- Competitive Salary
- Company Vehicle
- Group Insurance Plan (medical, dental, life etc.)
- Group Retirement Plan (RRSP)

Why work for Battano:

- An established company in the specialty construction industry

Your Assets:

- Completed a formal supervisory training program combined with a minimum of 5 years experience in concrete curb & sidewalk construction
- Leadership capacity/ability to manage people
- Willing to learn & take on new challenges
- First Aid & WHMIS preferred
- Driver's Licence with a clean abstract
- Clean criminal record check and bondable

Your obligations would include but would not be limited to:

- Responsible for 2 crews
- Co-ordinate scheduling for crews
- Ensure that sites are ready for crew arrival
- Communicate company policies to site foremen
- Enforce company health & safety program
- Directing & confer with site foremen
- Inspect work in progress
- Recommend changes in work procedures
- Interact with contractor/owner/inspector

Job Type:

- Full Time

Job Location:

- North Bay with travel to Central, Northern & Northeastern Ontario
